BRETT BUSSE
In loving memory of

Brett Anne Busse was born September 6, 1988 at Saskatoon City Hospital. Proud parents were Craig and Patti Busse. She lived in and attended school in Simpson, until 2002, when the family moved to Watrous. She began grade 8 and graduated Winston High School. From an early age she danced at the Watrous School of Dance and played fastball with the Watrous Royals. She played hockey with the Watrous Warriors female team and also curled and golfed for the school teams. She went to the University of Regina for a year then continued her education while working for SaskTel obtaining her Diploma in Business from the University of Saskatchewan and working at the Town Bar on weekends. Her 70 and 80-hour workweeks were common and legendary. Brett's energy and personality made her a popular and genuine friend of whom she had many, each one special in her life. She loved life, had boundless energy, a unique wit and sense of humour and the ever-present smile that we all remember. Brett was predeceased by her grandparents Mike and Doris Horbul and Allen Busse; aunt Mary Lynn Horbul and cousins Garrett and John Horbul. She is survived, loved and remembered by her parents Craig and Patti, brother Michael (Samantha Cleghorne); sisters Rae, Carmen (Kevin) Douglas and Kendel; grandmother Thelma Busse; nephews and nieces Chase, Max and Isabel; aunts; uncles; cousins and her many friends. Brett's family thank you for attending and invite you for lunch here in the Civic Centre immediately following the celebration of life service.
