OLYNE PATRYLUK
In loving memory of

Olyne Patryluk (nee: Owadiuk), aged 89 years, of Selo Gardens, long time resident of Regina, passed away peacefully at the General Hospital on Saturday March 23rd surrounded by the love of her family, friends, and the community she served. She was predeceased by her husband Alex, who was the love of her life, Olyne is survived by her loving family: sons, Tery (Heather) and Bob of Regina, SK and daughter Marianne (Earl) Mosewich, Colesdale Park, SK; 7 grandchildren, Amber Mosewich, Edmonton, AB, Sienna (James) Huck, Regina, SK, Preston (Kirbie) Mosewich, Martensville, SK, Christie (Matt) Harris, Regina, SK, Shawna (Rav) Lal, Brisbane, Australia, Bryce Patryluk, Regina, SK and Troy Patryluk of Saskatoon, SK; and 7 great grandchildren, Carson and Pierce Huck, Wyatt Mosewich, Logan and Allison Harris, and Jaiden and Ashton Lal.

Olyne's love and energy drove her to serve in many capacities on numerous Ukrainian clubs and committees. Though she would be too humble to admit it, her contributions to culture and community leave us with a legacy that are a genuine product of her hard work and generous nature.

One of her greatest joys was sharing her love of tradition with her family. A bustling house with music, laughter, and ample food and drink brought family and friends together from far and wide. Through the years, the family grew – much to Olyne's delight - and our beloved "Baba" was a constant symbol of compassion, comfort, gratitude, and support. Her pride in her family was evident in the stories she shared with her friends and the way she beamed with delight during each and every visit.

Vichnaya Pamyat. Memory Eternal.
