*In loving memory of*

Their extensive trips included Hawaii, Norfolk Island, Easter Island, Australia and other islands in the Pacific, Antarctica, the British Isles, Iceland, bus trips that stretched the length of North America, and several trips through the Panama Canal and along the Amazon. He loved spending time by and on the ocean. Paul was predeceased by his parents, Paul and May, an infant son, sisters Columbine, May, and Luetta. He is survived by Carol, his wife of 64 years; children Robin (Colin) Ward, Launa (Randy) Patrick, Nick (Gail), and Trent (Paula Jane); grandchildren Jared, Carolyn, Savannah, AJ, Richard, Tonya, Adrianna, Matthew, Caleb, Celina, Chantelle, Tara, and Brandon; great-grandchildren Hannah, Isaac, Laura, Alistair, and Maverick. Paul will be remembered for his dedication to farming, sense of fun, pursuit of education, and love of travelling. He always enjoyed talking about farming and machinery. One of his favorite things was running the combine at harvest time, looking out over the lake, the sun-covered fields and watching the geese fly south. Being out on his land in the beauty of nature brought him great joy, and watching the passing seasons from the house he built for his family was something he never tired of. His enthusiasm for life helped him through his difficult last few years, and he will be greatly missed by all who knew him.
