

DAVE McLAREN
In loving memory of
1951 - 2021

Dave McLaren, aged 69 years, of Watrous and formerly Nokomis and Simpson passed away quietly at Watrous District Health Complex, Watrous, Saskatchewan on Wednesday, February 24, 2021. Dave is survived by his wife of 48 years Judy, their children Diane (Yves) Vanderauwera, Doug (Jill) McLaren, and Chris (Amy) McLaren, and their grandchildren Kaalyn, Kieran, Samantha, Tyson, Kylie, and Connor. He also leaves behind brother Keith (Annette) McLaren, and sisters Elaine (Ken) Wilson and Gwen (Glen) Kopp, sister-in-law Donna McLaren as well as many nieces and nephews. Dave enjoyed hockey, golfing and family. He was a man of few words, but Dave is remembered for his quiet sense of humour and his gentle nature. He was the absolute best version of himself when he was with his grandchildren, whether they were piled on his lap or he was ferrying them around to hockey practice or dance. Driving was a joy and a passion for Dave. He enjoyed a good road trip and loved his job as the NH3 king at Blair's Fertilizer. Dave's family would like to thank the staff at the Watrous District Health Complex for the care they provided during his time there. Dave's family thank you for attending and invite you for lunch in the lower level of the church immediately following the service.
