

1992 - 2022  
**KYLE BINGHAM**  
*In loving memory of*

Kyle was born in Fordingbridge, England on March 2<sup>nd</sup>, 1996 and passed away in his home on June 2, 2022. He has left to cherish his memory, his mum Debbie Green, dad Kevin Bingham and brother Bradley Bingham; grandmothers Eileen Jahr and Jean Gyngell, uncle Len (Tam) Jahr; cousins & family and of course our dogs Maximus & Remus, which he loved so much along with his best friend Cory and his many other friends here and across the seas. Waiting to greet him at the gates are his grandfathers Malcolm Jahr & Frank Gyngell; great grandparents Len & Olive Pennell and the many other family members that have predeceased him. Kyle had a rough start in life with major heart surgery as a baby, which he came through with flying colors, but later life he couldn't beat the demons that plagued him and eventually stole him from us. If he only knew how many friends and admirers he had. When Bradley and Kyle were little they were like twins although just over 2 years apart with their white blonde hair and cheeky smiles. I used to get frustrated as Kyle could never have a packet of sweets without going around the room sharing with everyone, even strangers, often not leaving any for himself, but that never changed! He always put everyone else first whether helping out, lending an ear or just putting a smile on your face with his quirky sense of humour. When we moved to Canada 13 years ago he made so many new friends here but he never forgot his friends in England. He was always on his PS4 and messenger in group chats. He was infectious and will be missed by so many. Mental health never allows you to see just how loved you are or to realize your worth. He was the best son and the best brother that we could ever wish for, he was the jackpot! I know that it would take an immense amount of pain for him to leave us, so our only consolation is to know that he is finally at peace, flying high and free at last. The hole he has left will never be filled. Until we meet again my darling. We love you.
